STEP THREE: Write Your Story

All entries must be accompanied with a written, one page (500 word maximum) narrative.

The narrative must work synergistically with the video, audio, or digital image entry to tell your story and must be written in English. Choose your words for maximum impact. The adjudication panel will review submissions holistically. Entries will be judged on originality, clear expression of ideas, impact of the personal story and synergy between the artistic piece and the written narrative.

Be creative, have fun and tell YOUR story YOUR way! How did post-secondary education make you the person you are now? Show us and tell us about your journey and your transformation!

STEP FOUR: Submit Your Entry

Entries must be submitted via email to tellyourstory@telus.net.

Entries may be submitted only once. Further submissions with revisions will not be accepted.

To qualify as a complete submission, each entry must contain the following three items:

1. Completed Entry/Waiver form.
